More info...

DEAR DAVE: I have an opportunity to buy a landscaping supply business. The owner said he made \$250,000 last year and is on track to make even more this year. There are three employees, and hes asking \$390,000 for everything. The building is included in the price, but the land would be a lease or purchase. Do you have any advice for taking advantage of a situation such as this without going ...
