Combining travel and an independent business opportunity, InfiniteIncomePlanChrisMetz.com is a new website that has these ideas in place for people to forge out and start their own companies, all the while enjoying themselves in beautiful resorts. The site recently added a new blog.

Simple doodle led to business opportunity (The Hamilton Journal News)

WEST CHESTER TWP. What began as a simple doodle by Beth Gully nearly 15 years ago has mushroomed into a prestigious award, a new business opportunity and a designation as one of only a handful of ambigramists in the world. Gullys Santa-Jesus creation, a greeting card with a translucent cover that features an image of Santa that transforms into Jesus when flipped open, recently earned first ...
